Re: Service mark KIDLINK  
U.S. Registration No. 2,078,489  
S&L File No. T27108 USA

Dear Mr. Presno:

Further to our correspondence of May 18, 2007, we are pleased to enclose a copy of a Notice of Acceptance from the U.S. Patent and Trademark Office, advising that the Combined Declaration of Use and Incontestability filed in connection with the above-referenced registration has been found to fulfill the statutory requirements and has been accepted.

The KIDLINK registration has been appropriately maintained and The Kidlink Society's right to use the mark "KIDLINK" is now deemed incontestable under Section 15 of the Trademark Act.

Please let us know if you have any questions.

Very truly yours,

  
Andrea C. Wright
